

HE218A-TH

(LED 1.8 inch H)

HE218A-EX

(External 3 meters sensor)

HE230A-TH

(LED 3 inch H)

HE230A-EX

(External 3 meters sensor)

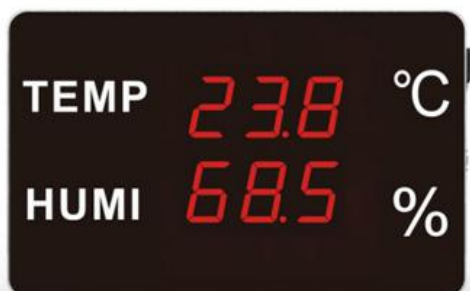

HE230A-RJ45

(Real-time monitoring)

HE230A-USB

(Data logger function)

HE250A-TH

(LED 5 inch H)

HE250A-EX

(External 3 meters sensor)

HE250A-RJ45

(Real-time monitoring)

HE250A-USB

(Data logger function)

HE218B-TH

(Led 1.8 inch H)

HE218B-EX

(External 3 meters sensor)

HE230T

(PT100 Sensor, °C & °F)

HE218B-USB

(Data logger function)

Features

- Long visual distance from 15~75m.
- Switzerland imported sensor with high accuracy & stability.
- Year,month,day,temperature simultaneously display.
- Communication interface optional:USB/RJ45/RS485.
- Deviation can be calibrated by buttons.
- Memory for 43000 readings.
- Optional function:Tomonitor software with remote online certified monitor by PC.
